If you are not completely satisfied, we will cheerfully give you an exchange or refund within 30 days of the invoice date as long as the returned products are in their original, saleable condition. Video, audiotapes and software are not returnable unless they are unopened or found to be defective.

If you need to return an item, pack the item(s) well, enclose this completed form and ship back to us. We recommend you use a trackable shipping method to ensure we receive your return merchandise. If it is due to an error on our part, please call us so we can make proper arrangement such as issuing postage for your return. We will do our best to handle the transaction quickly and in accordance with your wishes and this return policy.

We are particularly interested in knowing any reasons for which you may be dissatisfied.

If you are requesting a credit to your credit card, please allow approximately one billing cycle for the credit to appear on your statement.

*** Books are easily damaged. Please make sure that they are properly packaged with enough packing material (padding) to ensure that they will not be bent and their corners and sides are protected. 50% credit will be given if books arrive damaged.
